DIN Rail Mounted Enclosures 1597DM Series

NEW

Key Features:

- Italtronic brand electronic enclosures
- Designed to mount onto standard 35mm DIN rails using integrated DIN rail mounting clip
- Ideal for housing printed circuit boards, terminal blocks, and other DIN rail mounted electronics
- Snap closures for easy assembly, no hardware required
- Enclosures are constructed of RAL7035 light grey PPO thermoplastic with UL 94 V-0 flame rating
 - Gray accessories are made of PC-ABS material with UL 94 V-0 flame rating
 - Clear accessories are made of PC material with UL 94 V-2 flame rating
- DIN group numbers refer to the number of terminals on each side of the enclosure
- Accessories including bread boards, replacement DIN clips, terminal covers, and top covers are available
 - **NOTE:** Some accessories are not compatible with all enclosures in a DIN size group. It is recommended to check the enclosure drawing to confirm compatibility
